## **Claudia Dinnell of Claudia's Creations at Bernina Sewing Center!**

Claudia lives in Phoenix, AZ and has been teaching quilting and appliqué classes for 25 years. Embroidery digitizing has become her love and passion. She now creates large, original designs using her own multi-hooping technique which she has taught throughout the US. Claudia's love of teaching continues as she motivates students to create their own works of art in redwork style and appliqué. She has won national and local awards for her design, quilting and digitizing work.

Claudia will be at Bernina Sewing Center April 4, 5, 6 & 7. Details will follow on what embroidery classes she will be teaching. Keep the dates open! She has wonderful projects!

## **Sherri Keil joins our Teaching Staff**

We are excited that Sherri Keil will be teaching classes at our store. Some of you may know Sherri; she has lived in Billings since 1998. She began quilting in the 1980s and has experience in piecing, appliqué, paper piecing and machine quilting.
